IDOT Announces Pavement Patching on Illinois 9

BLOOMINGTON – The Illinois Department of Transportation announces work is scheduled to begin June 5, weather permitting, for pavement patching on Illinois 9 on the west side of Bloomington from Mitsubishi Parkway to Interstate 55/74.

Work is expected to be completed June 30. The contractor for this \$220,000 project is G.M. Sipes Construction.

Motorists should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to signs in the work zones, obey the posted speed limits, restrain from using mobile devices and be alert for workers and equipment.

For IDOT District 5 updates, follow us on Twitter at [@IDOTDistrict5](https://twitter.com/IDOTDistrict5) or view area construction details on IDOT's [traveler information map](http://GettingAroundIllinois.com) on GettingAroundIllinois.com.
